# COVID-19 Report

**As of Monday, February 7th, 2022, the facility is reporting 1 positive employee cases of Covid-19, with 16 recoveries. They are fully vaccinated. They have mild to no symptoms at this time. They are following quarantine requirements. We are reporting no residents as positive today.**

**We will continue to test the employees and the residents per the guidelines or more often as needed for surveillance and facility wide testing for Covid 19 response while working with the Dallas County Health Department.**

**The facility is taking the following steps in accordance with applicable regulations and directives:**

- 
- **All staff and visitors entering the facility will continue to be screened and required to wear the appropriate ppe at all times.**
- **Please USE CAUTION while visiting!**
- **The Salon will remain open.**
- **We will continue to monitor any changes with the guidelines and our processes to ensure the safety of all staff and residents.**
- **Ongoing Vaccination efforts will continue for our staff and residents.**

*Kristi M. Blackwell*
**Executive Director**
