CORNERSTONE
SENIOR LIVING

“I’m looking for a place that feels like home.”

CARE LEVELS

Our beautiful community offers both Assisted Living and Memory Care services, with a rich focus on health and wellness. At each level of care, our staff is overly-courteous, respectful and maintains a high level of professionalism at all times. With both Assisted Living and Memory Care, our primary goal is to provide you with the necessary support so you can continue to be as independent as possible all in a friendly, homelike environment.

Assisted Living

Our Assisted Living community offers round-the-clock help, as needed, all while maintaining respect for each individual’s aging process. Whether the need be with activities of daily living (ADLs) such as bathing and grooming or with issues such as medication assistance or incontinence needs, the compassionate, trained staff at Trinity Timbers is always available. That’s a part of what makes us so special!

Memory Care

We are committed to caring for your loved one by providing a stimulating yet homelike environment for some of the millions of seniors battling progressive dementia and Alzheimer’s disease. Our staff provides personal attention including developing programs designed to suit individual resident needs. Trinity Timbers offers a carefree, beautifully appointed, spacious and safe environment, complete with walking paths, outdoor sitting areas and additional amenities to create a sense of familiarity and comfort. You can take comfort in knowing your loved one will be treated as an extension of our own family.
