Riddles and Giggles

The Barry family is a very wealthy family that lives in a big, circular home. One morning, Mr. Barry woke up and found his mirror had been shattered. He knew it was one of his employees who had done it. So he asked them what they were doing in the morning, and he got these replies.

Driver: “I was outside washing the car.”

Maid: “I was dusting the corners of the house.”

Cook: “I was starting to make lunch for later.”

From the replies, he knew who it was. Can you guess who it was?

Bring your answer to Faleena for a prize!
