Meet and Greet with Nurse Megan

Join us in the Great Room on November 16th at 2:30pm for a Wine and Cheese Social gathering to meet our new nurse Megan Spillers.

Megan Spillers, LVN –Resident care Director

I want to thank the residents, family and staff for welcoming me with open arms here in this great community, Trinity Oaks of Pearland you all have made my entrance a very warm and welcoming one.

About Me:

I am originally from Baton Rouge, Louisiana (yes I am die hard **Saints/LSU** fan) I am a seafood lover and I love to cook. I have resided in the great state of Texas for the last 9 years and I love it. I have been a nurse for over 9 years with a very diverse background. I have at least 6 years of management in a clinic setting, skilled nursing/long term care setting, and assisted living. I have recently traveled all over working as a frontline worker to help the fight against COVID-19. I am currently continuing my education as a Registered Nurse and Healthcare Administration. Nursing is naturally my first love so caring for and loving on my residents comes very easy.

Fun fact: I think that I sing like Whitney Houston (protect your eardrums and never ask me to sing) and I also think I can swim like a mermaid.

All in all I am here for you, please feel free to ask for me, and come see me or call me if you need me for anything.
