

WELCOME HOME

“The one thing I love about Three Forks is the people who work here. They show up every day, and they put their arm around you just because they care. To everyone there, you are loved by my family and me. You are special in my book!”

At Three Forks Senior Living of Forney, every day is an opportunity to enjoy your golden years. Located east of Dallas, our vibrant community keeps you close to the family and friends you’ve known all your life and supports you as you make new memories.

As your needs change, our care evolves to meet them. Our skilled and compassionate caregivers define what it means to provide personalized, high-quality care.

For years, you’ve made a difference in countless lives. Now, we’re honored to do the same for you.

CARE LEVELS

Assisted Living

We've reimagined assisted living at Three Forks. Our caregivers provide personalized care tailored to your needs. With a supportive hand in a private setting, we take care of the day-to-day, so you can enjoy enriching community life.

Memory Care

Memory care at Three Forks is innovative, compassionate, and individualized. We incorporate the latest research on Alzheimer's and other forms of dementia into daily life for our residents. Our highly experienced team is committed to building trust and understanding in a secure environment.

A DAY IN YOUR LIFE

Awake in your **luxurious private apartment** and join your new friends for a **delicious and fresh breakfast**. Spend the morning reading your favorite book in our **spacious common areas** or **beautiful library**. In the afternoon, take part in our **engaging activities**. End your day with a **chef-prepared meal** in our **restaurant-style dining room**.

No matter how you decide to spend your days, we're here for you.
